There are reasonable grounds to suspect that they are an involved person under the Syria (Sanctions) (EU Exit) Regulations 2019 because they are or have been involved in activities carried out on behalf of the Assad regime, implementing, or connected to the repressive policies of that regime. In particular, carrying on prohibited activities related to chemical weapons in Syria.

Managing Director of the Organisation for Technological Industries (OTI), and the Syrian Company for Information Technology (SCIT), which are both subsidiaries of the Syrian Ministry of Defence, which has been designated by the Council. OTI assists in the production of chemical weapons for the Syrian regime. As Managing Director of OTI and the SCIT Bayan Bitar provides support to the Syrian regime. Due to his role in the production of chemical weapons, he also shares responsibility for the violent repression against the Syrian population. In view of his senior position in these entities, he is also associated with the designated entities OTI and SCIT.
