## Pamatojums (4)

There are reasonable grounds to suspect that they are an involved person under the Syria (Sanctions) (EU Exit) Regulations 2019 because they are or have been involved in activities carried out on behalf of the Assad regime, implementing, or connected to the repressive policies of that regime. In particular, carrying on prohibited activities related to chemical weapons in Syria.

Fawwaz El-Atou is a lab technician at the Syrian Scientific Studies and Research Centre, involved in chemical weapons proliferation and delivery. Fawwaz El-Atou has been involved in the construction of barrel bombs which have been used against the civilian population in Syria. He is associated with the Syrian Scientific Studies and Research Centre, a listed entity. Therefore, he has been involved in carrying on prohibited activities related to chemical weapons in Syria. He is or has been involved in repressing the civilian population in Syria.
